Dearest Friend,

Summer is on the way and Camp CaPella will be opening to full capacity! We have been receiving our Campers applications and are getting camp ready to open. All of the pictures you see here are from last year and we were only able to have half our campers come. But not this year, this year, they all can come!

Boating, karaoke, adventure kayaking, fishing and camp fun are in store for these amazing campers. This is their place where they are free to learn, laugh and play together. Although, we are in uncertain times, we can provide our campers with the much needed stability that these individuals need to grow and build confidence in themselves and the world they live in.

We, at Camp, have been going through some major remodeling due the generosity of amazing donors like you. The new kitchen, main lodge flooring, and new septic and bath house are just parts of improvements we've been able to make thanks to the help you provide us.

Another way people can reach out and help is by sponsoring a camper! Camper tuition is approximately \$2000.00 per week. 95% of our campers cannot afford tuition, but we make it our mission to never turn away a camper, regardless of their ability to pay. We are looking for your help to send an individual with disabilities to Camp CaPella this year. **Every dollar you can donate, no matter the amount, will go directly to help one of our campers come to camp.** Everyone should be able to experience Summer Camp in Maine.

With great appreciation,

Your friends at Camp CaPella
