The cost of camp is \$2000 and most of our campers cannot afford to pay anything towards their camp fees.

Here are some levels of support you can work towards:

**\$2000 provides a week at camp   \$1000 provides half a week   \$375 provides two days   \$250 provides one day & app fee**

We encourage you to raise as much money as possible to help send kids to camp this Summer! Thank you!
