Dearest Friend,

April 1, 2024

Camp CaPella is gearing up for the best summer ever! Every spot is almost full, and we have a waiting list! Next year we are adding weeks to accommodate these wonderful campers! So, its official that Camp CaPella is growing! The campers love the theme weeks, and we have a new Camp Director Mikele Block, doing all new programming designed to inspire and engage. This investment in staff and experience will increase the value of camp by having measurable goals, that we will share with you, in the future.

The campers will enjoy the new hot tub from Sandollar Spa and Pool, the new archery range, and of course, the boating, kayaking, fishing, swimming, games, science, and art projects we have in store for them. This is their place where they are free to learn, laugh and play together. At this time, you can provide our campers with the much-needed stability that these individuals need to grow and build confidence in themselves and the world they live in.

The new bathhouse and nurses facility are built! The Borman, Miller/Vinick, Grant-Noyes, and Chalmers Families funded our new facility, and we cannot thank them enough! The new projects that we need funding to complete include the 2.9 Miles of ADA hiking trails, two year-round bunk houses, pavilion, and of course the ADA Abby's Tree House! The Gurnsey and MacMillan families invested in the project with 50k in honor of Abby Gurnsey. We have a start on these wonderful projects. If you would like to volunteer or donate to a project, please contact Camp.

Another way people can reach out and help is by sponsoring a camper! Camper tuition is approximately \$2000.00 per week. 85% of our campers cannot afford tuition, but we make it our mission to never turn away a camper, regardless of their ability to pay. We are looking for your help to send an individual with disabilities to Camp CaPella this year. **Every dollar you can donate, no matter the amount, will go directly to help one of our campers come to camp.** Everyone should be able to experience Summer Camp in Maine.

With great appreciation,

Your friends at Camp CaPella
